

This year for the LEG Grant I asked my class what materials we needed for our classroom and then I worked with the students to pick them out. We decided on new dry erase boards longer had lines for used so much that the away. We use the basis for practicing lessons. The students letter stamps in both because our old set was

because our old boards no longer had lines for used so much that the away. We use the basis for practicing lessons. The students letter stamps in both because our old set was

stamps for letter recognition, stamping names, and spelling word practice. The phonics activity box we ordered is used during Literacy Centers. It helps the students build words using foam letters and picture cards. Thank you for funding our new materials!
